

THAILAND - NEW ZEALAND BUSINESS MATCHING EVENT

8th November 2024

“Building Bridges for Growth”

In today’s globalized world, cross-border collaboration is key to economic success. The Thailand-New Zealand Business Matching Event on November 8, 2024, at the Banyan Tree Hotel in Bangkok is designed to strengthen the partnership between Thailand and New Zealand, bringing together leaders, investors, and government representatives to explore growth opportunities in both markets.

This year, Guardian Capital Asset Management is honored to attend as an official representative, a significant milestone underscoring our commitment to international expansion and partnership.

As one of only four companies chosen from each business sector, Guardian Capital Asset Management was selected to represent wealth and asset management industry, standing as a symbol of trusted expertise in global wealth management, growth strategies, and innovative investment solutions.

This prestigious event marks another step forward in Guardian Capital Asset Management’s journey of fostering relationships beyond borders. By building strong alliances with visionary partners, we aim to drive impactful change, expand our reach, and unlock new opportunities for our clients.

Our commitment to delivering forward-thinking, sustainable, and tailored investment solutions remains at the heart of our mission, empowering clients to achieve their financial goals in an ever-evolving global landscape.
